### ***K-Tahoe's "Spend Locally" Campaign***

We've all suffered; now let's do something about it!

Let local purchasing be the "flywheel effect" to get the local economy rolling

K-Tahoe will make hourly announcements on how local consumer spending will help to spur the local economy, featuring interviews with local commerce insiders

These announcements will also be sponsored by and recommend three local businesses, including their name, address, contact info and any special or noteworthy promotion (10 to 15 seconds per business)

We use your voice and words on the air to deliver your message

Every business is guaranteed a minimum of 6 announcements per month

Never before has an offer like this been made

Participating businesses must be a member of North Lake Tahoe Chamber

K-Tahoe's Economic Incentive:

We share in the cost! (\$50.00 monthly value)

**Your cost is only \$19.95 per month\***

Please call today for a sample ad or to reserve your space. This offer is limited to 500 businesses total.

### **PLACER COUNTY SUPERVISORS HOLD TAHOE PUBLIC HEARING ON THE HOMEWOOD PROJECT**

At a special meeting in Tahoe City on Tuesday, November 15, the Placer County Board of Supervisors held a public hearing on a third-party appeal of a Planning Commission decision to approve the Homewood Mountain Resort Project. The Board heard from approximately 40 concerned members of the public who both spoke out in favor and against of the project. At the conclusion of the hearing, the Supervisors closed the hearing, but will allow the appellants to submit documents until November 28, 2011. Any additional information that is submitted by the appellants will be considered by the Board at its December 6, 2011 meeting. At that time, the Board will again take up the project at a regularly scheduled meeting in Auburn.

The project had previously been unanimously approved by both the Planning Commission and the North Tahoe Regional Advisory Council.

**The Board continued the matter until its Dec. 6, 2011, meeting at the Planning Commission Chambers located in the Community Development Resource Center, located at 3091 County Center Drive, Auburn. The agenda for that meeting will be available to the public no later than the Friday before the meeting at 5 p.m. The agenda will be available online Dec. 2, 2011, by 5 p.m. at**
