

STEALS AND DEALS

**See's
CANDIES®**

The Meeks Bay Fire Ladies Auxiliary is raising funds again this holiday season with sales of **See's Candies** and gourmet coffee roasted right here on the North Shore by Tahoe City's **Coffee Connexion** (in the Lighthouse Center). Six blends of coffee are available in one pound holiday bags for \$10.00/lb. To place an order for coffee, candy, or the cookbook, contact Carol at 530-525-1970. Orders will be collected Wednesday November 23rd. Coffee and candy deliveries will be the second week of December.

Funds collected by the Meeks Bay Fire Ladies Auxiliary from this, and other events, are donated to the Meeks Bay Fire District for the purchase of much needed equipment to help keep our community safe. The Auxiliary has been a major funding source for the District for years.

K-Tahoe's "Spend Locally" Campaign

We've all suffered; now let's do something about it!

Let local purchasing be the "flywheel effect" to get the local economy rolling

K-Tahoe will make hourly announcements on how local consumer spending will help to spur the local economy, featuring interviews with local commerce insiders

These announcements will also be sponsored by and recommend three local businesses, including their name, address, contact info and any special or noteworthy promotion (10 to 15 seconds per business)

We use your voice and words on the air to deliver your message

Every business is guaranteed a minimum of 6 announcements per month

Never before has an offer like this been made

Participating businesses must be a member of Tahoe Chamber.org

K-Tahoe's Economic Incentive:

We Share in the cost! (\$50.00 monthly value)

Your cost is only \$19.95 per month*

Please call today for a sample ad or to reserve your space. This offer is limited to 500 businesses total.

Tahoe Rim Trail Association, Tahoe Institute for Natural Science and Space Science for Schools - Leonids Meteor Shower Event - Register Today! – NOV 17

Once a year, the Tahoe Basin's night sky erupts with a flurry of shooting stars. The Leonids Meteor Shower is a sight not to be missed, and where better to view this natural phenomenon than through the clear autumn sky above Lake Tahoe. Join Tahoe Rim Trail Association, Tahoe Institute for Natural Science and Space Science for Schools to learn from knowledgeable guides about the Leonids Meteor Shower on November 17th from 7-9 pm. This **free, family friendly** gazing party will be an event you, your friends and your family are sure to never forget. Be sure to bring your lawn chairs, warm blankets, winter jacket and hat, snacks and hot chocolate. Minimal hiking involved (Directions to the trailhead will be provided upon registration for this event).

You must register in advance for this event. Online registration is now required for all TRTA programs and can be completed on the TRTA website at www.tahoerimtrail.org. For more information call 775-298-0012 or email Tom at programs@tahoerimtrail.org.

Note: This event is subject to cancellation due to a cloudy or snowy weather forecast. Registrants will be notified via e-mail.
